SENOH DG33 SET UP

Installation Instructions for SENOH DG33

1. Place uprights in sleeves with one hook and one pulley wheel facing the court.
2. Slide the pulley wheel collar to the desired height and insert the pin through hole to maintain net height. (Top: mini-volleyball; middle: badminton; bottom: Pickleball)
3. Tie a loop in one end of the top net cable and place it on the hook.
4. Place the other end of the top net cable over the pulley wheel and tie a loop to place on the hook of the sliding net collar.
5. Move the sliding collar down the upright until the net is taut and tighten the thumb screw.
6. Tie off the remaining net ties.
