At the center of every volleyball championship
Times change. Passion doesn’t.
Throughout our history, we’ve raised the bar for quality, performance and customer experience in the sport of volleyball. That standard continues today.

**OUR VISION**
To support the growth and development of volleyball at every level through innovation, advocacy and generosity.

**OUR MISSION**
To provide the best customer experience, design and provide the highest quality volleyball equipment to our customers and actively support the volleyball community.

The net system trusted by the NCAA, USA Volleyball, NFHS, AVCA and NIRSA.

NCAA is a trademark of the National Collegiate Athletic Association.
NEW CONSTRUCTION

Floorplates and Sleeves - A Favorite of Athletic Directors

- Maintains hardwood integrity.
- Compatible with all floor types — wood, synthetic, tile and more.
- Solid brass that blends with hardwoods.
- Hinged design for easy access — no key needed to open.
- Available in a larger diameter.
- Now available in stainless steel.
- Available for badminton systems (KA45).
- Compatible and interchangeable with all other SI equipment.

NEW CONSTRUCTION

Building a new facility? We’re here to help you from beginning to end — from design and court layout to the best products to meet your facility’s needs.

SAN ANTONIO I.S.D.

“I am very adamant about what we want because it is a waste of taxpayer money to get sub-par equipment or equipment that does not work for all of our schools. We prefer Senoh and Sports Imports in our district because our coaches love the volleyball equipment and I love your customer service!”

Barbara Wise, CAA
Assistant Director of Athletics
RETROFIT

Upgrading to a Sports Imports Net System? Our regional managers will help ensure conversion is simple and seamless.

WILLARD HIGH SCHOOL, WILLARD, OH

“Switching to Sports Imports was a great decision for our program. The quality of the Sports Imports equipment was so much better than the quality of the equipment that our school received when we built our new school. The previous equipment only lasted two years before the crank system failed, and the poles were difficult to get to stay at the correct height.

With this new equipment, you simply put the pins in the correct markings, crank until tight and you are all set. You can tell that the Sports Imports equipment is built to last.”

Ashley Bond
Head Coach, Girls’ Volleyball
CARBON FIBER POLES

Our carbon stands alone

We reinvented the volleyball net system with the introduction of Sports Imports Carbon Fiber Poles. These patented lightweight poles are specially engineered and manufactured to give them superior strength, durability and performance, making them the best-selling poles on the market and the clear choice of volleyball coaches and athletic directors at every level.
BEST-SELLING POLE ON THE MARKET

SI-1 ALL CARBON POLE

- Offers the strength and performance of steel.
- Sets up in 5 minutes or less.
- Easy net-height adjustment with the Sports Imports Pin-Stop System.
- Clear markings for Men’s, Women’s and Juniors’ — additional holes for training purposes.

We developed the SI-1, our best-selling pole, to provide customers with a safer net system that offers the strength, performance and quality they can only get from Sports Imports — a pole that can safely and easily be set up by a middle schooler and withstand the power and performance of the NCAA Championships. The patented All Carbon SI-1 Pole is that pole, and it revolutionized the industry in 2013.
What our coaches are saying:

**UNIVERSITY OF MICHIGAN**
**ANN ARBOR, MI**
“We started using the new Carbon Fiber poles and the team loves them. Great upgrade! Thanks, and GO BLUE!”
*Mark Rosen, Head Coach, Women’s Volleyball*

**KALAMAZOO COLLEGE**
**KALAMAZOO, MI**
“I love the lighter weight and the ease of their height adjustment as well. Needless to say, our practices are a joy.”
*Jeanne Hess, Head Coach, Women’s Volleyball*

**GREEN VALLEY HIGH SCHOOL**
**HENDERSON, NV**
“We LOVE, LOVE, LOVE our new set-up. The Women’s Gator Volleyball Program thanks you all for the support.”
*Erin Hill, Head Coach, Girls’ Volleyball*

**LAFAYETTE CENTRAL CATHOLIC**
**LAFAYETTE, IN**
“Over the last two years, we have been blessed to upgrade our old 60-pound (each) steel poles to Sports Imports’ new Carbon Fiber 19-pound (each) poles. This will allow our middle school and high school student athletes to compete with the best products on the market, but more importantly, safely set up and take down our net systems.”
*Brad McCarter, Head Coach, Girls’ Volleyball*
A FAVORITE OF MEN’S PROGRAMS

CO8 HYBRID CARBON POLE

• Delivers superior performance and durability.
• Sets up in 5 minutes or less.
• Easy net-height adjustment with Sports Imports Pin-Stop System.
• Clear markings for Men’s, Women’s and Juniors’ — additional holes for training purposes.

A favorite of men’s volleyball programs, this hybrid carbon pole offers the strength and durability of steel in a lightweight frame.

What our coaches are saying:

MARIST HIGH SCHOOL
CHICAGO, IL

“Switching to the Sports Imports CO8 Carbon Systems in each of our gyms has been a game changer for the Marist High School Volleyball Program. The quality, durability and easy storage makes Sports Imports equipment second to none, and our service rep has been on top of everything from Day 1 of working together.”

Jordan Vidovic, Head Coach, Girls’ Volleyball
A MIDDLE SCHOOL AND CLUB FAVORITE

AL7 ALUMINUM POLE

- Sets up in 10 minutes or less.
- Easy net-height adjustment with the Sports Imports Pin-Stop System.
- Clear markings for Men’s, Women’s and Juniors’ — additional holes for training purposes.

The strongest and most popular aluminum pole on the market, the AL7 Aluminum Volleyball Pole features an easy-to-set-up pin-stop height adjustment system for consistent and accurate net height.

What our coaches are saying:

SIBLEY EAST HIGH SCHOOL
ARLINGTON, MN

“VB equipment arrived last week, and has already been used a few times …VERY convenient, and the sleeves and pins measure out perfectly. I can’t wait for how easy it will be next season to set up for matches.”

Chip Wolverton, Head Coach, Girls’ Volleyball
THE POLE THAT STARTED IT ALL

DE11 STEEL POLE

55 POUNDS

STURGHEST STEEL POLE ON THE MARKET

AVAILABLE FOR SITTING VOLLEYBALL

• Sets up in 10 minutes or less.
• Easy net-height adjustment with the Sports Imports Pin-Stop System.
• Clear markings for Men’s and Women’s — additional holes for training purposes.

In 1976, Sports Imports changed the game with the introduction of the Steel DE11 — the first in-ground net system without dangerous guy wires. Its superior design set the industry standard for quality, strength, performance and durability. As the sport has evolved through the years, so has the design of the DE11 — historically, it remains the most popular pole on the market.

What our coaches are saying:

PENN STATE
STATE COLLEGE, PA

“We have used the Sports Imports Volleyball Net System exclusively since we switched to an in-ground system, and I like its reliability and durability.”
AN INTERNATIONAL FAVORITE

FIVB VOLLEYBALL POLE

• Infinite height settings.
• Extremely versatile and easy to use.

Approved by the Fédération Internationale de Volleyball (FIVB) and an international favorite, the DE10 is used at the highest levels of sport, including Olympic and FIVB competitions.

What our coaches are saying:

OHIO UNIVERSITY
ATHENS, OH

“Senoh poles are built so well that they often outlast the buildings that house them. Great for us, but bad for getting repeat customer business for purchasing poles!”

Deane Webb, Head Coach, Girls’ Volleyball

PERFECT FOR ARENA SETTINGS

DE5300 SENOH CARBON POLE

• Infinite height settings.
• Sets up in 5 minutes or less.
• Offers the strength and performance of steel.

Customize your:
- Safety pads for Indoor and Beach.
- Top Net Tape for Indoor and Beach.
- Nets for Beach.
- Official Stand Padding for Beach.
- Coaches Box.
BEACH POLES

The standard for beach net systems

Sports Imports Beach Net Systems have been at the center of beach volleyball since we installed the first Olympic beach venue in Atlanta in 1996. We set the industry standard for quality, safety, performance and durability in an outdoor system. We are the net system used in the NCAA Beach Championships, the USA Volleyball Training Facility, the Canadian Pan Am Games, plus countless colleges, high schools, clubs and communities.
BEACH VOLLEYBALL POLES

SV15 BEACH VOLLEYBALL POLE

• Pin-stop design for easy height adjustment.
• Accommodates Men’s, Women’s and Juniors’ net heights, as well as shifting sand.

The net system at the center of the NCAA Beach Volleyball Championship, the SV15 Beach Volleyball Pole provides guaranteed superior outdoor performance. Specially designed and manufactured using a combination of steel and aluminum, the SV15 minimizes deflection and is strong, durable and weather resistant.

What our coaches are saying:

MOREHEAD STATE UNIVERSITY
MOREHEAD, KY

“We have always used Sports Imports equipment because of its quality, so when we added a beach program, it was no different. We love that we can count on the durability and performance of the SV15 system and that we can achieve exact net tension for every match.”

Jaime Gordon, Head Coach, Women’s and Beach Volleyball
A COLLEGE REC FAVORITE

BEACH² BEACH VOLLEYBALL POLE

EASY NET-HEIGHT ADJUSTMENT

• Features 9 net-height settings, from 6'6" to 8'2".
• Accommodates Men’s, Women’s and Juniors’ net heights, as well as shifting sand.
• Uniquely designed net-height adjustment system that’s easy to use and achieves perfect net height and net tension.

Customers love that it is easy to adjust net height simply by loosening the net cable and moving the carabiner and pulley wheel to the desired net height to achieve perfect net tension every time.

STRONG AND DURABLE

What our coaches are saying:

THE UNIVERSITY OF TEXAS AT DALLAS

“Installing the Sports Imports Beach² Sand Equipment has allowed us to improve the quality of our programming, as well as expand the quantity of activities. Students and the university community recognize our sand courts as the go-to facility on campus for sand volleyball.”

Ben Piper, Associate Director of Programs, University Recreation

TOP TRAINING TOOLS

THE COACHES BOX

- Non-skid top.
- Sturdy and lightweight.
- Quick and easy set-up.
- Folds to just 3 inches for easy storage.
- Carrying straps are available.
- Available in 18” and 24”, as well as XL width.

The Sports Imports Coaches Box is a favorite of volleyball coaches, from club to collegiate. Coaches can run training drills from net height.
TRAINING

TOP NET TAPE

- 9 clearly marked zones for blocking, hitting and setting drills.
- Made of quality, durable vinyl.
- Easily attaches to the top of Sports Imports volleyball nets.
- Available in bright multi-colors or numbers.

VERTEC JUMP TRAINER

- Measures standing reach or vertical leap reach, from 6’ to 12’ in half-inch increments.
- Easy set-up and reset.

The Sports Imports Vertec Jump Trainer is the original jump trainer. Coaches can measure and provide immediate and accurate feedback during training.
WHERE QUALITY MEETS VERSATILITY

DG11 BADMINTON POLE

BEST-SELLING BADMINTON POLE

EASILY ADAPTABLE TO PICKLEBALL

CAN BE USED AS A COMMON CENTER POLE

- Sliding hook collar for quick net tension.
- Features a keyhole for pickleball.
- Equipped with a hook-and-slide collar to adjust net tension.
- Plastic grooved cap ensures accurate net height and can accommodate a second cable for common center poles.

Our DG11 Badminton Pole can be easily adapted for pickleball. A hook is simply inserted into a keyhole to set the pickleball. (Pickleball hook sold separately.)

What our coaches are saying:

SUNSET RIDGE DISTRICT 29
NORTHFIELD, IL

“We are in the Pickleball unit now and the set-up and breakdown are so much easier.”

Dave Sislow, Physical Education

DG-PB INDOOR PICKLEBALL POLE

EASY SET UP

PRECISE NET TENSION

- Bottom hook allows for consistent, perfect net tension.
- Lightweight and easy to use.
- Grooved plastic top cap ensures accurate net height
- Requires minimal storage space.

Perfect for schools, colleges, and recreation centers, the DG-PB is made especially for indoor pickleball. An in-ground system, the DG-PB is compatible with gyms with volleyball and tennis sleeves, requiring only our adapter sleeve. Weighing only 8 pounds each, the poles are safe, lightweight, and make set-up and tear-down quick and easy.
SBN BADMINTON NET

- Compatible with DG11 and DG-PB.
- Available in both standard and shortened length.
- Strong and durable.

BADMINTON STORAGE CART

- Designed for the DG11 and DG-PB poles.
- Securely holds 8 or 12 poles.
- Easily stores nets, rackets and shuttlecocks.

BWR10 BADMINTON WALL RACK

- Compatible with DG11 and DG-PB poles.
- Holds 4 poles.
- Easy to install and use.
WE LOVE CELEBRATING OUR CUSTOMERS AND THEIR SUCCESS.
