NEW COURT BUILDS
SINCE 2014

SAN ANTONIO I.S.D.

"I am very adamant about what we want because it is a waste of taxpayer money to get sub-par equipment or equipment that does not work for all of our schools. We prefer Senoh and Sports Imports in our district because our coaches love the volleyball equipment and I love your customer service!"

Barbara Wise, CAA
Assistant Director of Athletics

RETROFIT

Upgrading to a Sports Imports Net System? Our regional managers will help ensure conversion is simple and seamless.

5k+ CUSTOMERS IN 5 YEARS

SWITCHED TO SPORTS IMPORTS

WILLARD HIGH SCHOOL, WILLARD, OH

"Switching to Sports Imports was a great decision for our program. The quality of the Sports Imports equipment was so much better than the quality of the equipment that our school received when we built our new school. The previous equipment only lasted two years before the crank system failed, and the poles were difficult to get to stay at the correct height.

With the new equipment, you simply put the pins in the correct markings, crank until tight and you are all set. You can tell that the Sports Imports equipment is built to last."

Ashley Bond
Head Coach, Girls' Volleyball

RETROFIT

Adapter Sleeve - The only item you need to make the switch!

- Drop-in style easily inserts into the existing sleeve
- Set it and forget it - you never have to touch them again
- No cutting or modification to the gym floor
- Poles are never modified to ensure full integrity
- Compatible and interchangeable with all other SI equipment

STRONGER

- Offers the strength and performance of steel
- Sets up in 5 minutes or less
- Easy net-height adjustment with the Sports Imports Pin-Stop System
- Clear markings for Men's, Women's and Juniors' - additional holes for training purposes

We developed the SI-1, our best-selling pole, to provide customers with a safer net system that offers the strength, performance and quality they can only get from Sports Imports - a pole that can safely and easily be set up by a middle schooler and withstand the power and performance of the NCAA Championships. The proprietary All Carbon SI-1 Pole is that pole, and it revolutionized the industry in 2013.

What our coaches are saying:

UNIVERSITY OF MICHIGAN ANN ARBOR, MI

"We started using the new Carbon Fiber poles and the team loves them. Great upgrade! Thanks, and GO BLUE!"

Mark Rosen, Head Coach, Women's Volleyball

KALAMAZOO COLLEGE KALAMAZOO, MI

"I love the lighter weight and the ease of their height adjustment as well. Needless to say, our practices are a joy."

Jeanne Hess, Head Coach, Women's Volleyball

GREEN VALLEY HIGH SCHOOL HENDERSON, NV

"We LOVE, LOVE, LOVE our new set-up. The Women's Gator Volleyball Program thanks you all for the support."

Erin Hill, Head Coach, Girls' Volleyball

LAFAYETTE CENTRAL CATHOLIC LAFAYETTE, IN

"Over the last two years, we have been blessed to upgrade our old 60-pound (each) steel poles to Sports Imports' new Carbon Fiber 19-pound (each) poles. This will allow our middle school and high school student athletes to compete with the best products on the market, but more importantly, safely set up and take down our net systems."

Brad McCarter, Head Coach, Girls' Volleyball

QUALITY + BUDGET

- Sets up in 10 minutes or less
- Easy net-height adjustment with the Sports Imports Pin-Stop System
- Clear markings for Men's, Women's and Juniors' - additional holes for training purposes

An affordable, lightweight option to meeting your budget, the AL7 Aluminum Volleyball Pole features an easy-to-set-up pin-stop height adjustment system for consistent and accurate net height.

What our coaches are saying:

**SIBLEY EAST HIGH SCHOOL
ARLINGTON, MN**

"VB equipment arrived last week, and has already been used a few times ...VERY convenient, and the sleeves and pins measure out perfectly. I can't wait for how easy it will be next season to set up for matches."

Chip Wolverton, Head Coach, Girls' Volleyball

POUNDS

AVAILABLE FOR SITTING VOLLEYBALL

- Sets up in 10 minutes or less
- Easy net-height adjustment with the Sports Imports Pin-Stop System
- Clear markings for Men's and Women's - additional holes for training purposes

In 1976, Sports Imports changed the game with the introduction of the Steel DE11 - the first in-ground net system without dangerous guy wires. It's superior design set the industry standard for quality, strength, performance and durability. As the sport has evolved through the years, so has the design of the DE11 - historically, it remains the most popular pole on the market.

What our coaches are saying:

**PENN STATE
STATE COLLEGE, PA**

"We have used the Sports Imports Volleyball Net System exclusively since we switched to an in-ground system, and I like its reliability and durability."

Russ Rose, Head Women's Volleyball Coach

PERFECT FOR ARENA SETTINGS

- Nets for Beach
- Official Stand Padding for Beach

BEACH POLES

| The standard for beach net systems

Sports Imports Beach Net Systems have been at the center of beach volleyball since we installed the first Olympic beach venue in Atlanta in 1996. We set the industry standard for quality, safety, performance and durability in an outdoor system. We are the net system used in the NCAA Beach Championships, the USA Volleyball Training Facility, the Canadian Pan Am Games, plus countless college, high schools, clubs and communities.

FAVORITE

MADE BY SENOH
EXCLUSIVELY FOR
SPORTS IMPORTS

FIVB
APPROVED

- Internal gear allows for infinite net height adjustment
- Anodized to withstand outdoor weather conditions
- Ideal as a permanent court solution

The net system made by Senoh exclusively for Sports Imports, the DE5010 Beach Volleyball Pole provides guaranteed superior outdoor performance. The FIVB Approved Competition pole is built for superior strength and durability to accommodate all beach courts.

What our customers are saying:

NIAGARA SPORT & SOCIAL CLUB
ONTARIO, CANADA

"We love them! Ease of use for staff raising and lowering net heights! Durability and visual appearance gives our participants the quality equipment they deserve to play on! It's worked extremely well for our youth development programs to easily be able to adjust the net heights for all the various different ages. The branding on the pads helps set us up well above any other leagues in the area! It has proved to be an outstanding investment for us!"

BEACH² BEACH VOLLEYBALL POLE

BEST-SELLING
BEACH VOLLEYBALL
POLE

EASY NET-HEIGHT
ADJUSTMENT

STRONG AND
DURABLE

- Features 9 net-height settings, from 6'6" to 8'2"
- Accommodates Men's, Women's and Juniors' net heights, as well as shifting sand
- Uniquely designed net-height adjustment system that's easy to use and achieves perfect net height and net tension
- Ideal as a removable or permanent court solution

Customers love that it is easy to adjust net height simply by loosening the net cable and moving the carabiner and pulley wheel to the desired net height to achieve perfect net tension every time.

What our coaches are saying:

THE UNIVERSITY OF TEXAS AT DALLAS

"Installing the Sports Imports Beach² Sand Equipment has allowed us to improve the quality of our programming, as well as expand the quantity of activities. Students and the university community recognize our sand courts as the go-to facility on campus for sand volleyball."

*Ben Piper, Associate Director of Programs,
University Recreation*

WHERE QUALITY MEETS VERSATILITY

DG11 BADMINTON POLE

BEST-SELLING BADMINTON POLE

EASILY ADAPTABLE TO PICKLEBALL

CAN BE USED AS A COMMON CENTER POLE

- Sliding hook collar for quick net tension
- Equipped with a hook-and-slide collar to adjust net tension
- Plastic grooved cap ensures accurate net height and can accommodate a second cable for common center poles

Our DG11 Badminton Pole can be easily adapted for pickleball. A hook is simply inserted into a keyhole to set the pickleball height. (Pickleball hook sold separately.)

What our coaches are saying:

SUNSET RIDGE DISTRICT 29 NORTHFIELD, IL

"We are in the Pickleball unit now and the set-up and breakdown are so much easier."

Dave Sislow, Physical Education

DG11-PBC BADMINTON/ PICKLEBALL POLE

INDUSTRY LEADER IN HIGH SCHOOL AND COLLEGE RECREATION CENTERS

DUAL SPORT POLE FOR BADMINTON AND PICKLEBALL

- Lightweight and easy to use
- Grooved plastic top cap ensures accurate net height
- Requires minimal storage space
- Sliding hook collar adapts the net to pickleball height

The DG11-PBC is a dual-sport pole that comes with a sliding hook collar to adjust net tension and a plastic grooved cap. The groove is wide enough for a second cable to allow the pole to be used as a common center post to hold 2 nets.

SBN BADMINTON NET

- Compatible with DG11 and DG11-PBC
- Available in both standard and shortened length
- Strong and durable

BADMINTON STORAGE CART
